

**CORTEX**

INTELLIGENT TALENT PLATFORM

Plans & Pricing · 2026

One workspace where sourcing, candidate intelligence, outreach and pricing meet — priced so a single placement pays for a full year.

EN · NL · FR

LOCAL-FIRST · GDPR-SMART

AI-NATIVE

**All-in-one**

Sourcing, CRM, CV Studio, Rate Intelligence & AI in one flow.

**Your data stays yours**

EU-hosted (Frankfurt), GDPR-smart, offline-first.

**AI-native**

Claude-powered matching, scoring & outreach on demand.

**Fair pricing**

Flat team plans — no per-seat penalty.

**Opportunity Engine — Belgian tendering, built in** **STUDIO & ENTERPRISE**

Cortex syncs the Belgian freelance platforms **ProUnity** and **Connecting-Expertise**, then pre-analyses and shortlists live mandates against your core criteria — so the right opportunity reaches you first.

The AI Brain — add or top up on any plan

Every plan includes an AI allowance. Need more firepower? Add a pack, or top up as you go. **One action = one AI operation:** an opportunity match, a message draft (EN/NL/FR), a CV parse, or a shortlist scan.

PACK	AI ACTIONS / MONTH	PRICE
AI Starter	250	€29 / mo
AI Pro	1,000	€79 / mo
AI Max	5,000	€249 / mo
Overage	per action beyond your bundle	€0.12

Speed wins mandates. Control wins trust. Cortex delivers both.

One intelligent flow

Source → analyse → act, in a single workspace. No more re-assembling data that already exists somewhere.

European by design

Candidate data lives in the EU (Frankfurt), encrypted and offline-first. Compliance as a feature, not a liability.

Intelligence built in

Weighted auto-scoring, vacancy matching and Claude-powered insight — on demand, never in the way.
